

Marrow Burnette, PT, MSPT, OCS, COMT

Marrow is a Certified Orthopaedic Manual Therapist and Board Certified Orthopaedic Specialist, who studied under world renowned experts in orthopaedic physical therapy such as Dr. Gwendolyn Jull, Dr. Carolyn Richardson, Dianne Lee, and Chris Showalter. He also has specialized training with Robin McKenzie and Brian Mulligan. Marrow received his M.S. in ('01) and his B.S. ('00) in Physical Therapy from the University of North Florida. Mr. Burnette was also an invited guest speaker at University of North Florida's Annual Health Symposium on current physical therapy topics and presented at three MAPS Symposiums on the Pelvis and SIJ. Currently Marrow works at a private P.T. practice in Jacksonville, FL, Marrow has over 15 years of clinical experience, including a specialty in manual therapy treating cervicogenic headaches, the SIJ, and other general orthopedic dysfunctions. Marrow's experience makes him uniquely trained in both the theory and realities of providing top-notch manual therapy patient care in today's challenging healthcare environment.
