

2023/2024 MAPS CEU Approvals by Course and State

Updated 2/7/2024 - Add'l 2024 applications currently in process

Below are state explicit CE approvals granted to MAPS by authorized local agencies. Many states accept approvals from other states, some states do not require pre-approval, and some states set standards but do not offer an approval process. As a result, MAPS course are recognized as approved in 34 states including: AL, AK, CO, CT, DE, DC, GA, HI, IL, IN, IA, KS, KY, ME, MA, MI, MN, MO, MT, NE, NH, NY, NC, ND, OR, PA, SC, TN, UT, VT, VA, WA, WI, and WY.

*Indicates approval granted by an APTA State Chapter
